

Cancer Assist

Fast, trusted guidance for life and work with cancer.

Cancer Assist gives you and your eligible family members¹ in-the-moment guidance for any cancer-related concern, whether it's about you or someone close to you. Available at any stage of the cancer journey, from early questions pre-diagnosis about symptoms to life after treatment, an experienced team is there to help – so you can feel heard and supported.

No question is too small.
Cancer Assist helps you feel informed and makes your next steps easier.

Support for you

01

Clinical

Including trusted healthcare information from a library of resources, and advice on what to expect from treatment and post-recovery.

02

Emotional

A safe space to talk and feel supported, if you've had a tough day or don't know where to go for advice.

03

Practical

Help with questions about managing work and cancer, guidance on finances, and finding relevant local services.

1. Available to you and your partner. Children are eligible up to their 18th birthday via their parent or can access directly after their 18th birthday up to their 24th birthday if in full-time education.

You could be...

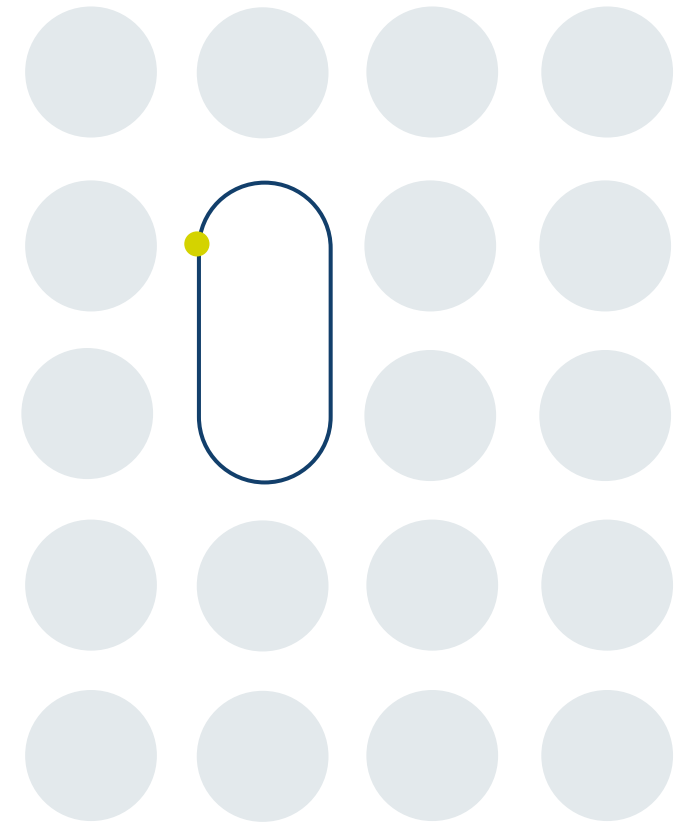

- 1 Starting treatment and want advice on how to manage your symptoms.
- 2 Supporting a colleague and want tips for having a sensitive conversation.
- 3 Worried about talking about your diagnosis with your children.
- 4 Looking for where to shop for bras following a mastectomy.
- 5 Unsure on how to talk to your manager following a diagnosis.
- 6 Caring for a partner with cancer and need assistance finding local resources.
- 7 Feeling anxious about a potential cancer diagnosis.

160,000

people of working age are diagnosed with cancer each year²

700,000

people at work are caring for someone with cancer²
