# 24/7 helpline

## Support is just a phone call away.

Whether it's a quick question or a more complex situation, you don't have to figure it out on your own. The Help@hand 24/7 helpline connects you to advisors who are ready to listen, support, and guide you – anytime, day or night.

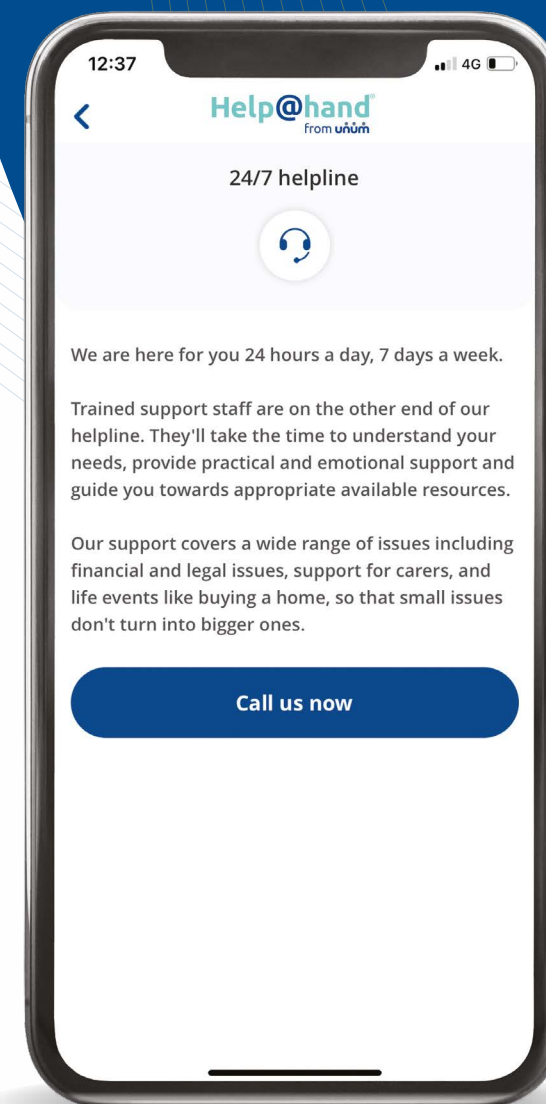

Give the Help@hand team a call for:

- + Immediate, confidential support from experienced advisors who take the time to understand what you need
- + Guidance on a wide range of topics - emotional, practical, or logistical
- + Help finding trusted services and local resources, including healthcare providers and childcare or eldercare options

One quick call can give you the clarity and confidence to move forward, whenever you need it.

**Call any time on 0808 304 3698**

The **24/7 helpline** is available to you, your partner, and children.<sup>†</sup>

<sup>†</sup> Children can access service after their 18th birthday up to their 24th birthday if in full-time education.

# Financial support

## Get the financial guidance you need to feel in control.

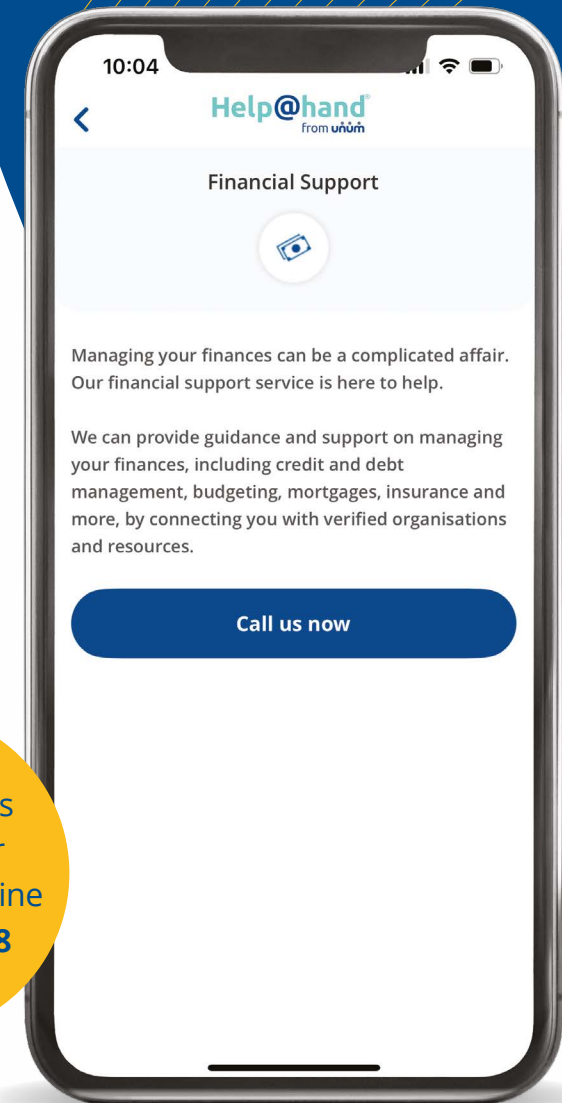

Whether you're planning for the future, dealing with a financial curveball, or just have a money question you've been putting off, Help@hand gives you access to expert financial guidance - with practical support to help you make confident decisions at every stage of life.

Specialists are here to help you understand your options and provide clear next steps, with signposting to trusted services where needed.

Help@hand could help with:

- + **Budgeting and debt management** – Understand your spending, manage repayments, and reduce financial stress.
- + **Mortgages and property** – Whether it's your first home, a remortgage, or buy-to-let, get help understanding your options.
- + **Pensions and retirement planning** – Explore how your pension works and how to make the most of it.
- + **Tax planning** – From pension contributions and ISAs to more complex tax-efficient investment options.
- + **Inheritance and estate planning** – Support with wills, trusts, and planning for the future.

# Legal support

## Clear, practical legal guidance, whenever life gets complicated.

When legal questions come up, it can be hard to know where to turn. Help@hand offers expert legal guidance to help you understand your rights and make informed decisions.

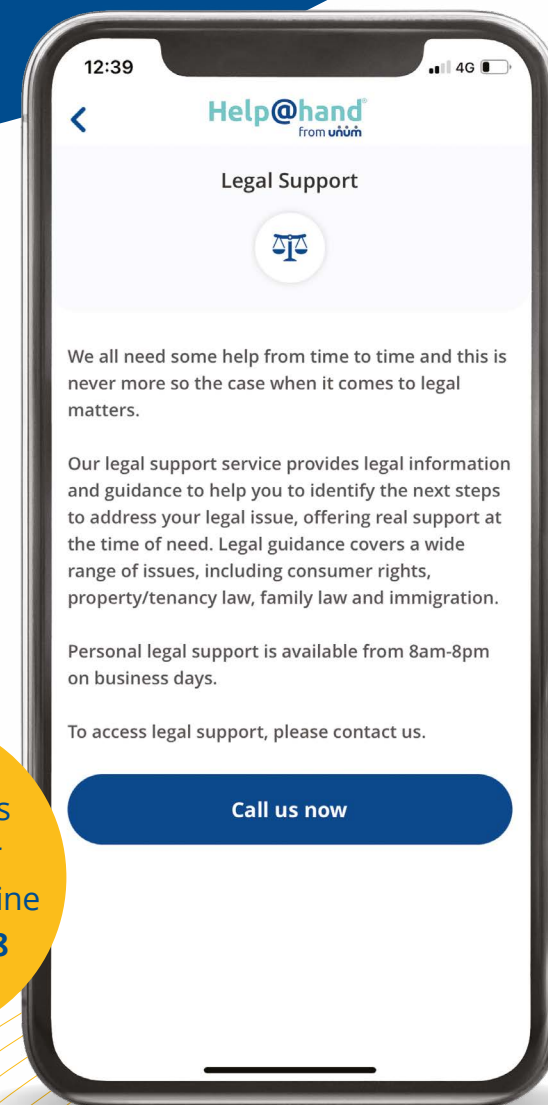

You'll get confidential, 1-2-1 support on a wide range of everyday legal matters, with no jargon.

Some common areas Help@hand could help with include:

- + **Family** – Divorce, co-parenting, separation, wills, or power of attorney.
- + **Consumer issues** – Disputes over faulty goods, cancelled holidays, or online orders.
- + **Property and tenancy** – Renting, buying, neighbour disputes, or landlord responsibilities.
- + **Motoring** – Parking fines, penalties, or buying and selling a car.
- + **Tax** – Inheritance planning, self-employment questions, or understanding VAT and NI.

Help@hand gives you one consultation per legal issue, with clear next steps so you can move forward with clarity and confidence.

# 24/7 Remote GP

**Get the GP support you need, when you need it –  
no waiting rooms, no hassle, just care on your schedule.**

With Help@hand, you can book a video consultation with a UK-based GP of your choice at a time that suits you – day or night, 24/7, 365 days a year.

Each appointment lasts up to 20 minutes including wrap up time, with GPs able to issue referral letters, fit notes, and private prescriptions for medication for direct delivery where needed.<sup>1</sup> You can also give permission for your notes to be shared with your NHS GP, ensuring a smooth handover between Help@hand and your NHS GP.

**Unlimited** remote GP appointments available to you, your partner and children.<sup>2</sup>

- <sup>1</sup> Private prescriptions are provided at no additional cost, but users are required to pay for medication and delivery if they choose to have it sent directly to them. NHS exemptions do not apply. The GP will go through the options and next steps during the consultation.
- <sup>2</sup> Children can access service via their parent up to their 18th birthday, or directly up to their 24th birthday if in full-time education.

# Mental health support

**Whether you're looking to build resilience, talk things through, or work towards a personal goal, a network of experienced, friendly mental health therapists is here to support you.**

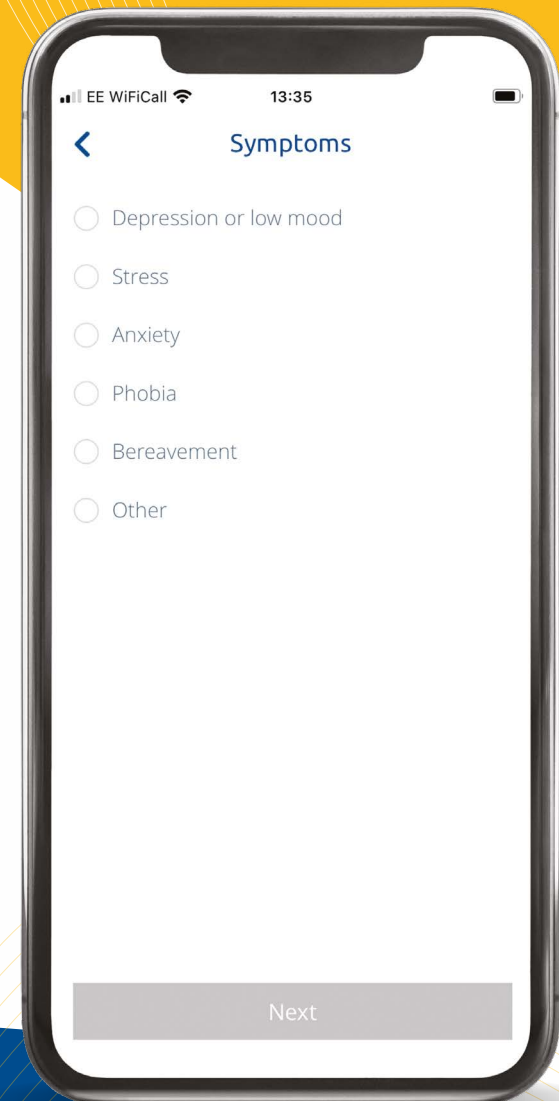

Discover more about the service in the app and see if it's the right fit for you. If it feels right for you booking a consultation is quick and easy, with no referral needed. Simply choose a time that works for you and select your preferred therapist.

Together, you'll agree on a tailored treatment plan built around your goals. Sessions are delivered via video consultation and may be supported by digital CBT modules.

## Bereavement counselling

Bereavement counselling offers compassionate support to individuals navigating the complexities of grief after losing a loved one, and is available to you, your partner, and is also extended to children over the age of 16.<sup>2</sup>

Unlimited mental health support available to you and your partner subject to clinical appropriateness.<sup>1</sup>

<sup>1</sup> This service is suitable for mild to moderate issues. The number of sessions provided will be subject to clinical appropriateness. Should the service no longer be appropriate, you will be directed to alternative support. For more information, please check the frequently asked questions at [unum.co.uk/employee/help-at-hand/frequently-asked-questions](https://unum.co.uk/employee/help-at-hand/frequently-asked-questions).

<sup>2</sup> Children over the age of 16 can access up to their 18th birthday, or 24th birthday, if in full-time education. Please call the helpline to book an appointment.

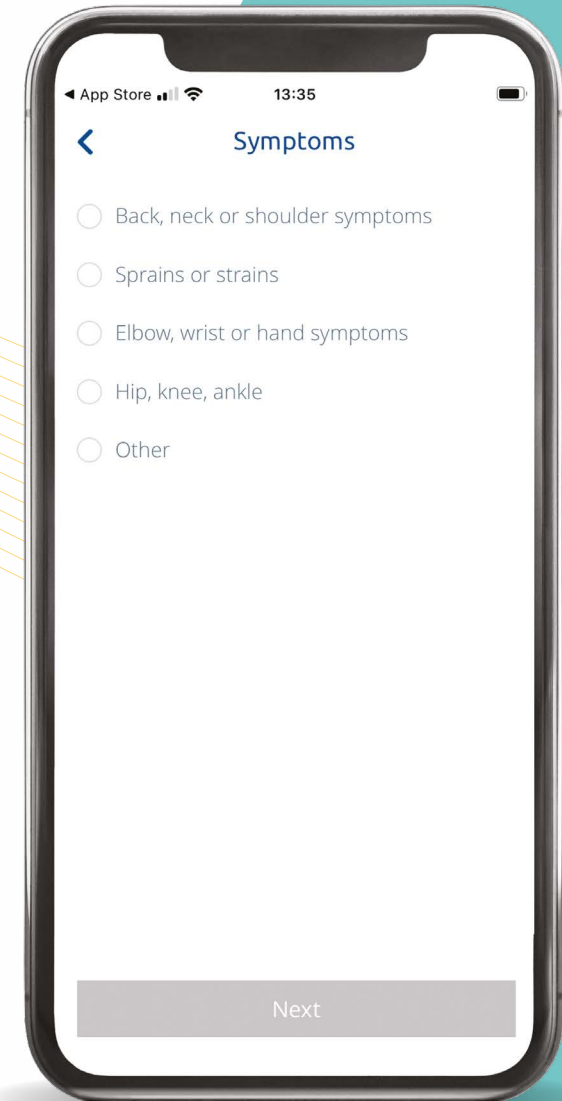

# Physiotherapy

## Stay active and feel your best with expert physiotherapy support.

Help@hand gives you fast access to physiotherapists via video consultation who can help you manage aches, pains, and mobility issues before they slow you down. You'll receive a personalised treatment plan tailored to your needs, often including guided exercises delivered digitally.

If needed, you'll also be sent helpful equipment like resistance bands or foam rollers to support your recovery and physical health.

**Eight consultations**  
to share per year,  
available to you  
and your partner<sup>1</sup>

<sup>1</sup> Not suitable for complex, pre-existing or chronic conditions. Alternative guidance may be provided if appropriate.

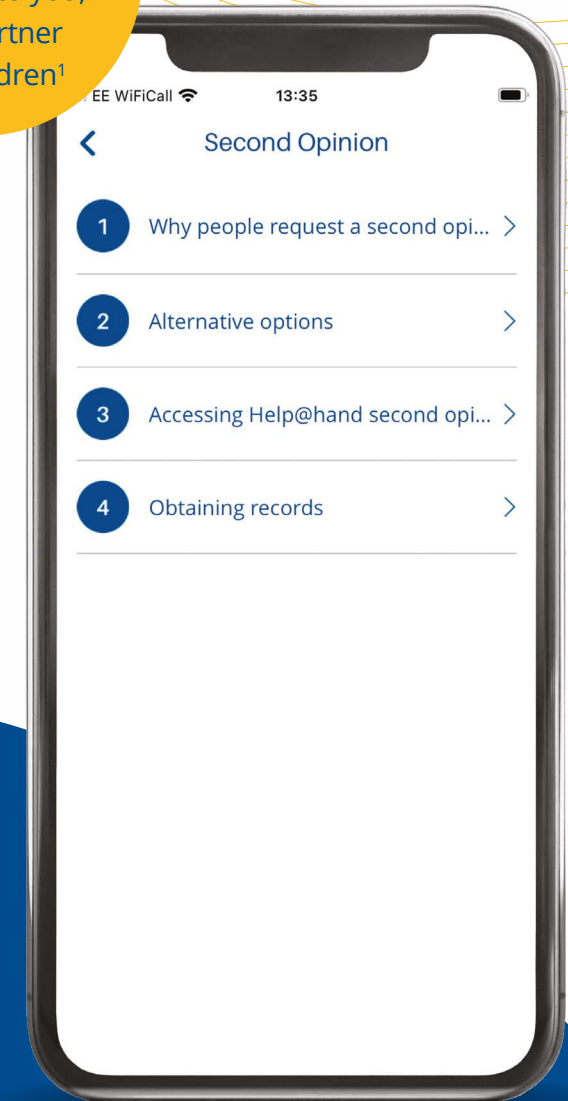

# Medical second opinion

Two consultations shared per year available to you, your partner and children<sup>1</sup>

**Receiving a medical diagnosis can be life-changing and dealing with uncertainty can be overwhelming.**

Medical second opinions are available either in person or via video consultation with UK-based private consultants, following a final diagnosis.

The consultant will review medical records and provide a second opinion on the diagnosis and/or treatment plan.

## Potential advantages of a medical second opinion

- + If both doctors agree with your diagnosis and treatment, you may feel more confident about the plan for your treatment and care.
- + You may get on better with a different doctor and have more confidence in what they say.
- + You may be offered different treatments, or treatment as part of a clinical trial.

<sup>1</sup> Children can access service via their parent up to their 18th birthday, or directly up to their 24th birthday if in full-time education

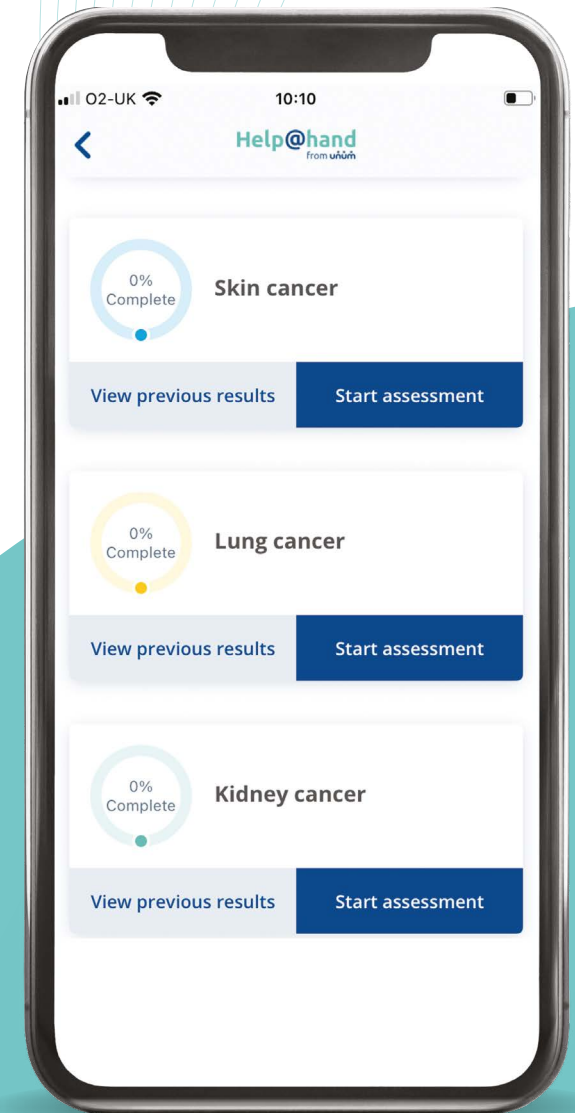

# Cancer screening

**This service provides a screening kit for you to complete at home for four common cancers, to help you stay proactive about your health.**

## **How does it work?**

- + Simply complete the in-app clinical risk screening questionnaire to determine your risk factors - for prostate, bowel, blood, and cervical cancers. Your access to cancer screening questionnaires and testing kits depends on your assigned sex at birth, which you provide during registration for Help@hand.
- + You will be sent an at-home test kit to the location of your choice, with the instructions on how to use this.
- + Return postage is provided, and once the test is analysed you will receive your results in the app.
- + There are also risk screening questionnaires available for breast, kidney, lung, ovarian, skin, and testicular cancers.

You can receive one screening kit per year free of charge.

# Savings and discounts

## Make your money go further.

Help@hand helps you save on everyday costs with extensive savings and discounts on the things you use and enjoy - from big-name tech to travel, days out and more.

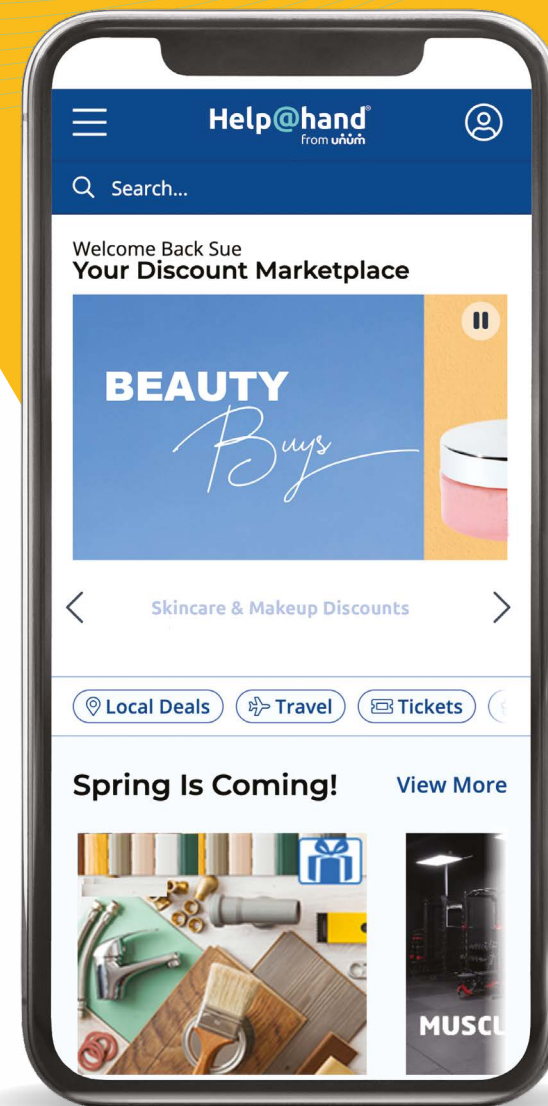

You can even earn cashback on purchases, with savings automatically applied to future spend. Simply tap into your account and select 'Cash Back' to check your balance anytime.

You, your partner and children† can easily access valuable discounts and money saving deals.

## Top Tip!

Combine offers where you can - like using a discount on an item from a retailer that also gives cashback - to boost your savings even more.

† Children can access this service after their 18th birthday up to their 24th birthday if in full-time education.

# 360 Wellbeing Score

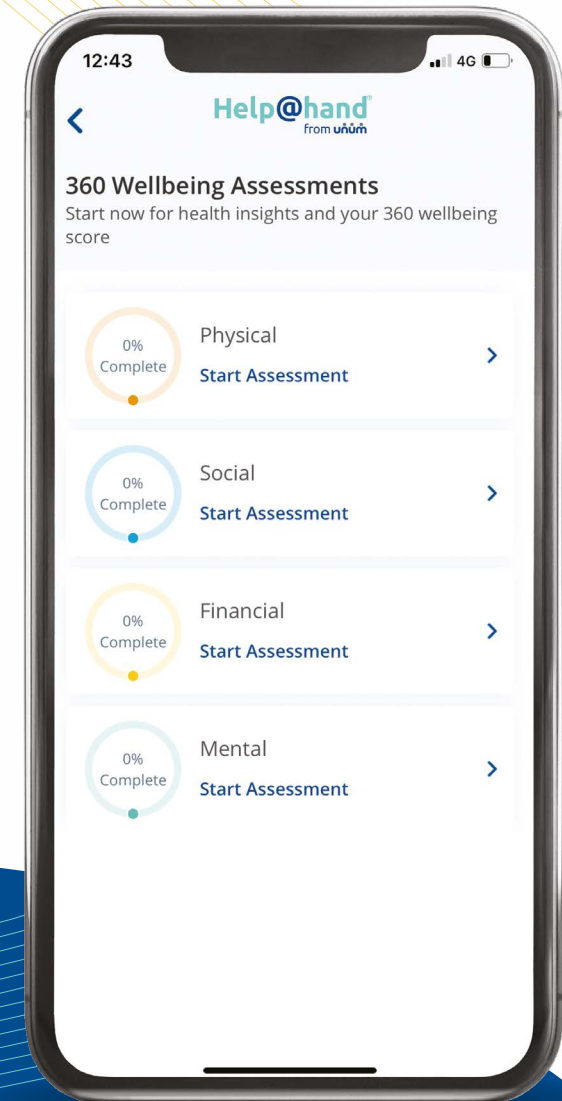

## Understand your wellbeing and feel empowered to improve it.

Taking care of your wellbeing starts with understanding it, and the Help@hand 360 Wellbeing Score makes that easy.

With four short, reflective assessments covering your mental, physical, social, and financial wellbeing, you'll get an instant result revealing individual scores and your overall wellbeing score. It's a helpful starting point which offers real insight into where you're doing well and where you might want a little more support.

## Top Tip!

Your wellbeing isn't fixed - it changes as life does. You can retake the assessments anytime to check in on your progress and stay motivated as you move forward.

# Lifestyle coaching

## Turn insight into action with personalised lifestyle coaching.

No matter how busy life gets, your wellbeing should be a priority - and Help@hand is here to support you.

Once you've completed any 360 Wellbeing Score assessment, you'll unlock access to 1-2-1 lifestyle coaching sessions. These sessions give you the chance to talk through your current habits, explore what matters most to you, and set achievable goals that fit your life.

With expert guidance from a dedicated coach to get you started and stay motivated, you can build healthy routines and make confident choices that support your long-term wellbeing.
