

Unum Dental: Brush up on your benefits

With NHS dental costs rising by an average of 4% annually since 2015 and the price of private dental treatment varying from practice to practice, finding the money to pay for treatment can be a concern for many employees and their families.

Unum Dental provides corporate Dental Cover to employees and their insured dependants (at an additional cost) to help with the cost of routine and essential dental treatments when they need it.

A wide range of flexible options, including cover for both NHS and private treatment, to suit businesses and budgets of all sizes

Why corporate dental insurance?

Employees want it

Dental cover is one of the most popular flexible health and wellbeing benefits offered by employers¹.

Employees use it

Provides cover for routine check-ups and hygiene visits, as well as major treatment to restore oral health – policy limits and exclusions apply.

Employees value it

It appeals to employees of all ages, with or without families or dependants. Policy can be used regularly and benefits claimed immediately following the policy start date.

* Survey, conducted in February 2020 among readers of www.employeebenefits.co.uk, received 269 responses.
