

Dental Plan

What's the benefit?

This insurance policy is designed to make costly and essential dental treatment more affordable. There is a range of plans to choose from including NHS and private options.

What's covered?

This policy covers the cost of both minor or major dental care needed to maintain and restore your oral health and includes treatment such as check-ups, hygienist appointments, fillings, crowns and much more.*

How much does it cost?

You can sign up to the plan from just _____ per month, and have the option to add your partner and children on to the same level of cover as you at an additional cost. Please check the policy summary for full details of our dependant cover.

Key features*

Cover for pre-existing conditions
(excluding mouth cancer)

Worldwide cover

100% reimbursement of NHS charges

Immediate cover from the day your policy starts

Visit any NHS or private dental practice
