

Dental Plan

What's the benefit?

This insurance policy is designed to make costly and essential dental treatment more affordable. There is a range of plans to choose from including NHS and private options.

What's covered?

Treatment to maintain and restore your dental health such as check-ups, hygienist appointments, fillings and more. The two main exclusions are cosmetic treatment and pre-existing mouth cancer, you can find out more by reading the policy summary and benefit schedule.

How much does it cost?

You can sign up to the plan from just _____ per month, and have the option to add your partner and children on to the same level of cover as you at an additional cost. Please check the policy summary for full details of our dependant cover.

Key features*

Cover for pre-existing conditions (excluding mouth cancer)	100% of NHS charges Claim from your policy start date
Dental implant cover (not available on all levels)	Your choice of dentist
Worldwide cover	Manage claims online

* Cover levels, annual limits and exclusions apply. Please refer to a benefit schedule for full details.
