

FIGHT THE FIZZ

Fizzy, fruit, energy, concentrated and even natural drinks can taste great, but can also contain high levels of sugar and corrosive acids.

Our plans cover towards the cost of routine check-ups which can help spot any potential problems early.

Fight the fizz by joining one of our dental plans at www.unum.co.uk/dental/join

Cover levels, annual limits and exclusions apply. Please refer to a benefit schedule provided during the application process for full details. New joiners only. Existing members (if applicable) will be contacted directly by Unum Dental.

STRENGTHEN YOUR TEETH'S DEFENCES

Tooth decay, gum disease and plaque are waiting to attack.

Our plans cover towards the cost of regular dental check-ups, reviews and treatment to help ensure your teeth stay protected.

Fight tooth decay by joining one of our plans at www.unum.co.uk/dental/join

Cover levels, annual limits and exclusions apply. Please refer to a benefit schedule provided during the application process for full details. New joiners only. Existing members (if applicable) will be contacted directly by Unum Dental.

TAKE THE BITE

...out of your dental bills

NHS dental charges have increased cumulatively by 23% since 2014, while private dentist fees vary widely.

Our plans cover towards the cost of dental treatment at the dentist of your choice – NHS or Private.
